Dear Parents/Guardians,

Pursuant to *N.J.S.A. 18A:7C-6.6*, school districts must provide parents/guardians with information regarding any State assessment and commercially developed standardized assessment that will be administered throughout the current school year.

Attached you will find a *Plainfield Public Schools Districts Assessment Schedule* for the 2023-2024 school year. Our district will continue to provide updates as they become available throughout the school year.

Should you have any questions and/or would like additional information regarding these assessments, please contact your child's principal or school counselor.

Sincerely,

Yurika Ebata

* If a student is permitted extra time or any other accommodation by their IEP, parents/guardians should contact their elementary principal or middle school / high school guidance office for additional details on accommodations and accessibility.

** Testing time is the maximum amount of time allotted for students to complete the assessment. Most students finish well in advance of the allotted time.

*** The testing window is the period in which districts can administer the assessment; it is not the actual number of days it takes a student to test. Schools can choose which days within the testing window that it wants to assess students. Please inquire with your school administrator about the exact testing dates of the assessment.

**** This column indicates when the data reports will be available to the district. The district will send out reports to parents as soon as possible. Please contact the district for further information.
