PLAINFIELD, NJ - Are you a Plainfield high school student who will play a sport this year? Then schedule a free athletic physical at the Cardinal Health Center.

Appointments with Dr. Powell can be scheduled for Tuesdays and Thursdays from 9 a.m. to 4 p.m. by calling the Neighborhood Health Center at 908-753-6401 ext. 1923 or 1926. When booking your appointment, specify that it is for the Cardinal Health Center on Stelle Avenue at Plainfield High School.

Athletic physical packets are available at the nurse's office, the athletics office, and the main office at Plainfield High School, 950 Park Avenue. Packets must be completed and signed by both the student and parent. The financial form from the Neighborhood Health Center must be completed and signed by the parent/guardian.
