Print your Medical ID Card using the Aetna Member Website

Step 1:	Visit Aetna's website by typing the following address into your web browser **www.aetna.com**
Step 2:	At the top-left of the webpage, click on **"Member Support"** to reveal the drop-down menu.
Step 3:	Click on the Account management heading and then select "Get your ID card" from the menu choices.
Step 4:	If you are a first-time Member Website user, select "Register Now" under the First-time users section and follow the registration instructions. (Select the option to use your Social Security Number to register if you don't know your ID number.) If you are already registered, enter your User name and Password and then click the "Secure Log In" button.
Step 5:	Once logged in/registered, you may be asked to read and agree to our User Agreement and/or update your profile information, depending on how long it's been since you last used the site.
Step 6:	In the top-right corner of your personal "Welcome" page, you will see your name next to a drop-down arrow. Click on your name and then select "ID Cards". A copy of your ID card will appear on the screen.
Step 7:	Click on the printer icon at the top-right of the page to print your ID card.
